TRIPLET

- A **triplet** is a group of three notes that are played in the same amount of time as two non-triplet notes of the same time value.

- Triplets are shown by a *3*, which is added either to the middle of the beam or to a bracket when the triplet notes aren't beamed together:
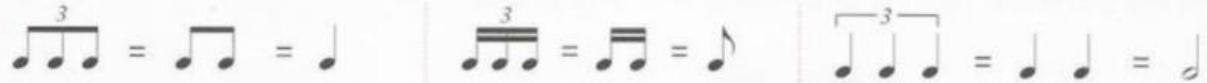

Exercise 2 Answer each question with a number.

a   How many crotchets are equal to ♪♪♪ (triplet 3) ?

b   How many minims are equal to ♩♩♩ (triplet 3) ?

c   How many quavers are equal to ♪♪♪ (triplet 3) ?

d   How many crotchets are equal to ♩♩♩ (triplet 3) ?

e   How many crotchet beats is ♪♪♪ ♪♪♪ ♪♪♪ ♪♪♪ (triplets 3 3 3 3) ?

f   How many quaver beats is ♪♪♪ ♪♪♪ (triplets 3 3) ?
