

One thing, I don't know why
It doesn't even matter how hard you _____
Keep that in mind, I designed this rhyme
To _____ in due time (all I know)

Time is a _____ thing
Watch it fly by as the pendulum swings
Watch it count down to the end of the _____
The clock ticks life away, it's so unreal (it's so unreal)

You didn't look out _____
Watch the time go right out the window
Trying to _____ on, to didn't even know
I wasted it all just to watch you go (watch you go)

I kept everything _____
And even though I tried, it all fell apart
What it meant to me will eventually
Be a _____ of a time when

I tried so hard and got so _____
But in the end, it doesn't even matter
I had to _____ to lose it all
But in the end, it doesn't even matter

One thing, I don't know why
It doesn't even matter how hard you *****
Keep that in mind I designed this rhyme
To remind _____ how I tried so hard (I tried so hard)

In spite of the way you were _____ me
Acting like I was part of your property
Remembering all the times you _____ with me
I'm surprised it got so far (got so far)

Things aren't the way they were _____
You wouldn't even recognize me anymore
Not that you knew me back then
But it all _____ back to me (in the end)

You kept everything *****
And even though I tried, it all fell apart
What it meant to me will eventually
Be a ***** of a time when

(Chorus)

I've put my _____ in you
_____ as far as I can go
For all this
There's only one thing you should know

(Repeat)
