Read both texts. Then look at the table. Tick (✓) the correct answer.

Hello! My name is Jack, I'm 10 years old and I live in Leeds (England). On Sundays, I spend the day with my grandparents. We have a full English breakfast. It has got bacon, sausages, eggs, baked beans, toast, mushrooms, tomatoes. Later, we have fish and chips for lunch. This is a very typical meal here! Finally, we have roast potatoes and roast beef with vegetables for dinner. This is my favourite day of the week! I love Sundays!

Hi! I'm Tabea. I'm 11 years old and I live in Dortmund (Germany). My Sundays are normally very special. I love it when all my family is there and when we have breakfast together. Then we have milk and pancakes with maple syrup. My mother is from the USA. She makes the best pancakes ever! We also eat boiled eggs and some muesli with yoghurt and fruits. For dinner, we eat mashed potatoes and vegetables. That is my favourite meal.
