

MULTIPLICATION AND DIVISION TIC-TAC-TOE CHOICE BOARD

Directions: Choose three activities to complete. You must choose three activities that make a Tic-Tac-Toe. Put an X in the box that you have completed.

You will have to present one of the activities you chose in our next online math meeting. HAVE FUN!!

PROBLEM SOLVERS Write 5 multiplication word problems. Have a family member solve them. <div></div>	STRATEGY POSTER Create a poster showing 3 different ways to solve 4×7 <ul style="list-style-type: none"> • Draw a picture of equal groups • Use a related multiplication fact • Use repeated addition <div></div>	GAME TIME Create a new game to practice your multiplication facts. Be sure to include the directions and anything you need to play. Try it with a friend. <div></div>
GARDEN DESIGN Seeds come in packs of 12. You have 3 packs - tomato, cucumber, and pepper seeds. Draw an array to show your garden. You must plant all the seeds. Label where the different types of seeds are planted. Write a multiplication fact for the whole garden. <div></div>	ARRAY HUNT Go on an array hunt around the house. Draw each array, tell where you found it, and write a multiplication number sentence to match it. (Hint: shoes, spice jars, eggs, cans etc..) <div></div>	GARDEN DESIGN Seeds come in packs of 12. You have 3 packs - tomato, cucumber, and pepper seeds. Draw an array to show your garden. You must plant all the seeds. Label where the different types of seeds are planted. Write a multiplication fact for the whole garden. <div></div>
SING-A-LONG Write a song to help you remember your multiplication facts. Teach it to the class. <div></div>	MATH LETTER Write a letter to a friend explaining how to solve $42 \div 6$. Be sure to tell him or her what to do step-by-step. <div></div>	FACT PRACTICE Set a timer for 2 minutes. See how many division questions you can answer before the timer goes off. Do it again to see if you can break your record. <div></div>
