[Verse 1: 2-D]
If I could take her down and run, then I'd call her
'Cause she's standing drama, she know I'll _____
She getting on the sun and then she order
Imagine me, imagine me now (She's my collar)
I don't take her number, just don't think I'd call her
I take her down to somewhere drab and _____
I clear my system, I don't need no other
This is my persona, secret lover (She's my collar)
Nothing to be justified in
Just one thing, you should feel _____
I know she lies alone, she's my caller
I sense her in my mind, she's my collar

[Verse 2: 2-D]
She's the serpentine, she's my collar
I send a message, never call her
And now I wanna _____ another
And it's safe in a persona, she's my collar (She's my collar)
Nothing to be justified in
She the first I'm running with
She the one that get my _____
She the one I'm running with (She's my collar)

[Chorus: 2-D]
She's the one I'm running with
She's the one I'm running with
She's the one I'm running with
She's my _____

[Verse 3: Kali Uchis & 2-D]
I'm yellow, he was blue
It's nothing that he could _____
We made a green meadow
Whenever we would collide (She's my collar)
I died a thousand times
I did what I had to do
Hey, that's just how it _____
I'm still coming back to you

[Verse 1: 2-D & Kali Uchis]
If I could take her down and run, then I'd call her (You, you, you)
'Cause she's standing drama, she know I'll _____ (You, you, you, you)
She getting on the sun and then she order
Imagine me, imagine me now (She's my collar)
I don't take her number just don't think I'd call her (You, you, you)
I take her down to somewhere drab and _____ (You, you, you, you)
I clear my system, I don't need no other (You, you, you)
This is my persona, secret lover (She's my collar)

[Chorus: 2-D]
She's the one I'm running with
She's the one I'm running with
She's the one I'm running with
She's my collar
Oh, she's my collar
