

BART SIMPSON

Hi kids! My name is Bart Simpson and I'm ten years old. I live in a beautiful city called Springfield, in USA. My mother's name is Marge and she is Housewife. My father's name is Homer and he Works in a nuclear power plant. Also I have got two sisters, Lisa and Little Maggie.

Everyday I get up at half past seven. I get dressed and have delicious breakfast at about quarter to eight. Then I take the bus to school.

Classes start at eight o'clock and finish at half past three, so I have lunch at the school cafeteria at quarter to one. My favourite school subject is Physical Education. We do some exercise and play sports at twenty past eleven on Tuesday and Thursday. I hate Maths because I find it really boring and I have that class every day at twenty five to eleven.

When I arrive at home, I have a quick nap at half past three. Then I do my homework about ten to five, later I watch the cartoon show "Itchy and scratchy". After that I meet Friends. Milhouse is my best friend. He has got glasses and Brown eyes. We like playing videogames, riding our bikes, surfing internet, Reading comics. I generally have dinner at half past nine. Then I brush my teeth and I go to bed at ten o'clock because I am really sleepy at the time.
