

Adjectives

An adjective is a part of speech in English that describes or modifies a noun or a pronoun. Adjectives provide more information about the quality, size, shape, color, and other attributes of the noun or pronoun they modify.

Physical appearance	Emotions	Feelings	Personality	Mental ability	Personality traits

ACTIVITY 2

ADJECTIVE DETECTION

Read the paragraph about the festival in Thailand and identify all adjectives in the passage by encircling or underlining them.

"The vibrant Songkran festival in Thailand is a jubilant celebration filled with lively colors, joyful gatherings, and exuberant water splashing. The streets come alive with the sounds of laughter and traditional music as people, adorned in beautiful traditional attire, engage in spirited water fights to usher in the Thai New Year. Amidst the cheerful atmosphere, the air is infused with the fragrance of jasmine flowers, and the bustling markets offer an array of delicious, aromatic street food. Revelers immerse themselves in the festive spirit, creating a tapestry of vivid cultural experiences."
