

LIVEWORKSHEETS

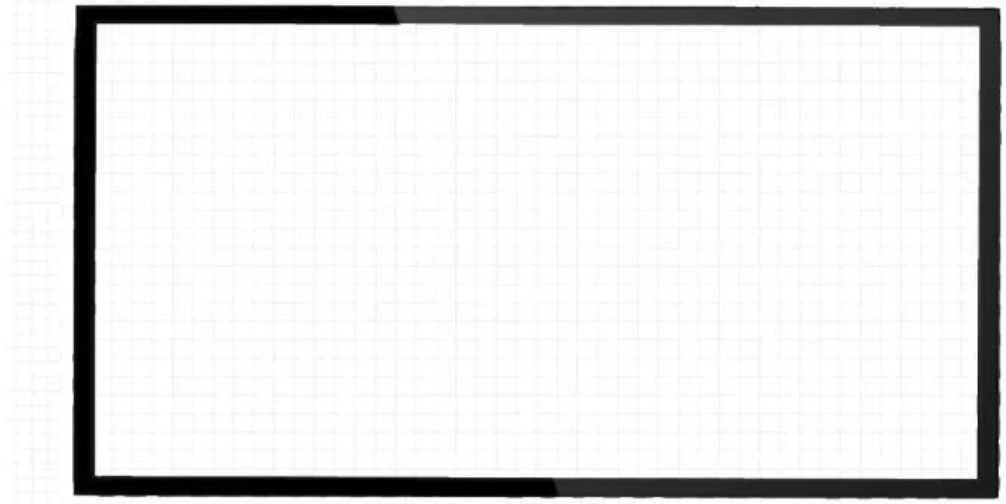

What do you understand by the terms 'them' and 'us'? -
What does it mean to 'put people in boxes'? Does this have a literal meaning, or something else?
Can you match the groups of people in A with their opposites in B? For example, 'Us' - 'Them'

A	B
Us	Those that have never seen a cow
High earners	Those that have always been here
Those we trust	Those we don't share anything with
Immigrants	The self-confident
The people from the countryside	Those just getting by
The religious	Those we try to avoid
Those we share something with	Them

LIVEWORKSHEETS

What is interesting about each of these groups?
Which are the largest groups? And the smallest?

1. Look at the phrases below that can be used to talk about probability in the box. Put them in order from 1 - 6 (1- very probable, 6 - not probable)

Maybe...	*In reality, it probably won't happen*	*It could happen, but I'm not sure*
I doubt very much that...	*This would never happen*	*This is bound to happen*

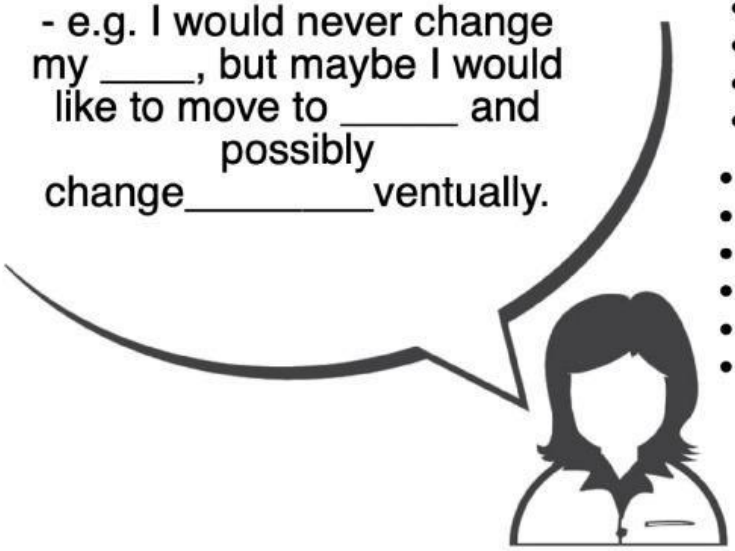

1.
2.
3.
4.
5.
6.

LIVEWORKSHEETS

How might some of these things change for you in the future?
