MY LIFE AS A CASHIER

My name is Micaela and I am a cashier at a Supermarket run by Chinese immigrants. They are nice but they don't give me permission to do some things. For example, I can't use the toilet if I don't ask them first and I can't use my cellphone while I wait for clients to come to pay. It's boring sometimes but I like organizing the candies on the check-out desk. Also, I count the banknotes on my free time. I can count very fast. Now, I can count in Chinese. I can count until one thousand. However, I can't understand the language yet. There is also a rule against serving friends or relatives so they can't come here. I am telling you, they are nice but very strict.
