1 My name is Maitha, I'm 23 years old and I'm in my last year of college. I'm studying Health Science because I like helping people and I hope to work in a hospital in the future. Before I graduate, I'm going to spend a month on a [1]_____ at Al Maktoom Clinic so I can get some [2]_____. This is important if I want to improve my chances to find a good job in my [3]_____ and increase my [4]_____.

2 I'm Mohamed and I'm 55. I've worked hard all my life so now it's time to [5]_____. I've always enjoyed what I've done. When I was at university, I worked and studied at the same time. It was only a [6]_____job because I needed time to attend classes and prepare for my exams. But I knew what I wanted from the start and I was very [7]_____.
