USED TO BE YOUNG 🎧

**Listen and choose the correct words**

The truth is bulletproof, there's no **fooling/tricking** you I don't dress the same
Me and who you say I was **before / yesterday**
Have gone our separate ways
Left my living fast **somewhere /someday** in the past
'Cause that's for chasing cars turns out open bars lead to **spoken/broken** hearts
And going way too far

I know I used to be **crazy / silly**
I know I used to be fun
You say I used to be **wild / a child**
I say I used to be young
You tell me time has done changed me
That's fine, I've had a good **time / run**
I know I used to be crazy
That's 'cause I used to be **gone / young**

Take one, pour it out it's not worth **talking/crying** 'bout the things you can't erase
Like tattoos and regrets - Words I never meant and ones that **escaped / got away**
Left my living fast somewhere in the past and took another **road / way**
Turns out crowded rooms empty out as soon
There's **somewhere/someplace** else to go, oh

I know I used to be crazy
I know I used to be **fun / young**
You say I used to be wild
I say I used to be **young / fun**
You tell me **life/time** has done changed me
That's fine, I've had a good run
I know I used to be **crazy/lazy**
That's 'cause I used to be young

I know I used to be crazy messed up, but, God, was it fun
I know I used to be wild that's 'cause I used to be young
Those wasted **nights/days** are not wasted I remember every one
I know I used to be crazy that's 'cause I used to be young
You tell me time has done changed me - that's **okay /fine**, I've had a good run
I know I used to be crazy
That's 'cause I used to be young
