Hit the beat and take it to the verse, now

I ..... you

But I gotta stay true

My morals got..... on my knees

I'm begging, please, ... playing games

I don't know what this is

'Cause you got me good

Just like you ..... you would

I don't know ..... you do

But you do it well

I'm .....your spell

You got me begging you for mercy

Why won't you release me? (Yeah, yeah, yeah)

Now you think that I

Will be .....on the side

But you got to understand

That I ..... a man

Who can take my hand
