\_\_\_\_\_

**Complete the email using so, because, and although, even though.**

Dear Theo,

I'm writing to thank you for your recommendation letter. I got a phone call yesterday, and I've been hired by an ad agency. They're based in San Francisco, (1) \_\_\_\_\_. I'll have to move there. (2) \_\_\_\_\_ it's a long flight and far away from my family, I'm going to do it (3) \_\_\_\_\_. this is my dream job! Your letter must have helped me get the position (4) \_\_\_\_\_. they mentioned your name in the interview. I feel so lucky! They hired me (5) \_\_\_\_\_. the job ad said they wanted someone with experience in the industry. I have none, but (6) \_\_\_\_\_. they liked the designs on my blog and, of course, the recommendation letter, I was successful (7) \_\_\_\_\_. my only experience was as an intern at your company. I really appreciate your help, and I'll write to you again when I start and tell you all about it. Please say "hi" to everyone at the office. I miss them!

Thanks so much,

Elena
