Hi, I am David. Last month I went on holiday. I went to Lombok with my family. We went there by plane. We stayed there for a week. I swam and played the sand at the beach. My mother didn't swim because she can't swim. My father did sunbathing. My brother surfed at the beach. We stayed in a nice hotel. The food was also good. It was really amazing holiday. I would like to go there next holiday.
