- b. People thought George Washington Carver kept secrets in his garden.
- c. People thought George Washington Carver knew a lot about plants and trusted him to take care of their plants.
- d. People thought George Washington Carver invented peanuts.

2. **Part B** – Click **two** sentences in paragraph 1 below that **best** supports the answer to Part A.

[1] George Washington Carver was always interested in plants.

When he was a child, he was known as the “plant doctor.”

He had a secret garden where he grew all kinds of plants.

People would ask him for advice when they had sick plants.

Sometimes he'd take their plants to his garden and nurse them back to health.
