Aboriginal	barbecues	recipes	cookery	espresso
food	bush	meat	cooking	emu

Australia is a huge country and it has a lot of different kinds of (1) _____. In the past, the Aboriginal people of Australia ate animals like crocodiles and some insects like the witchetty grub. Aboriginal Australians travelled around the Australian countryside, or 'bush', to find food.

When the first British and Irish people moved to Australia in the 1830s, they brought sheep and cows from Europe. They also brought traditional English and Irish recipes. Many of these (2) _____, like fish and chips and (3) _____ pies, are still popular today. They also created new Australian recipes such as the pavlova (a fruit dessert - named after a Russian dancer) and damper (a bread cooked in the bush).

After 1945, a lot of people came to live in Australia from countries like Italy, Germany, Greece, Thailand and India. They brought recipes with them and Australians began to eat and drink different things. People started to drink (4) _____ coffee and eat Mediterranean and Asian food.

A lot of modern Australians love (5) _____ with fresh food. They often cook food on (6) _____ in their gardens or on the beach. Today more people also eat (7) _____ food like kangaroo and

TA9 Unit 7- Recipes and Eating habits
