

Read this passage:

Peter's toys

Peter is very clever with his hands. He has lots of toys and he makes most of them himself. Sometimes his cousin Alan helps him.

Peter makes boats from bits of wood and paints them in bright colours. Some are steam ships. Some are oil tankers. Some are little sail boats. He gives them names like "Arawak Queen" and "Rising Sun" and "Go and Come Back".

Peter has cars and trucks made from boxes of all kinds. He uses cotton reels or bottle tops for wheels. He has a firehouse made from cardboard cartons. He even has a toy crane that can lift things!

Use words from the passage to complete these sentences:

1. Peter makes most of his _____ himself.
