

## SKYFALL – ADELE

This is the end  
Hold your breath and            to ten  
Feel the            move and then  
                  my heart burst again  
For this is the end  
I've drowned and dreamt this moment  
So overdue, I owe them  
Swept away, I'm stolen

Let the sky fall  
When it  
We will stand tall  
Face it all together  
Let the sky fall  
When it  
We will stand tall  
Face it all together  
At Skyfall  
At Skyfall

Skyfall is            we start  
A thousand miles and            apart  
Where worlds collide and            are  
You may have my number, you can take my name  
But you'll never            my heart

Let the sky fall  
When it  
We will stand tall  
Face it all together  
Let the sky fall  
When it  
We will stand tall  
Face it all together  
At Skyfall

Where you go, I go  
What you see, I see  
I know I'd never be me  
Without the security  
Of your loving

Keeping me from harm  
Put your        in my hand  
And we'll stand

Let the sky fall  
When it crumbles  
We will stand tall  
Face it all together  
Let the sky fall  
When it crumbles  
We will        tall  
Face it all  
At Skyfall

Let the sky fall  
We will stand tall  
At Skyfall  
Ooh
