

MON SOLEIL

by Ashley Park

You know that some things _____ just always meant to be
Don't ask the other girls, don't ask the other guys
Sometimes I wonder if you're ever gonna see
I'm not like the other _____, you're not like the other guys
I tell you I want you, but you don't _____ me
I guess all I can do, is whisper in your ear.

Ooh, your kisses taste so _____
Can't resist it, stay with me
And promise not to wake me if it's all part of a _____
'Cause, baby, it feels like Heaven
Mon chéri

Bonsoir, enchantée
Your _____ on my face
Embrasse-moi, mon soleil
Say you'd die for me, baby

Read my _____ if you want, I don't mind
I'm not like the other girls, you're not like the other guys
Hold me close, 'cause it's too soon to say _____
You're some kind of _____, and you got me in the sky
I tell you I want you, but you don't listen to me
I guess all I _____ do is whisper in your ear.
