Every time that I look in the _____
All these lines on my face getting _____
The past is _____
Oh, it went by like dusk to _____
Isn't that the _____?
Everybody's got their dues in life to _____, oh, oh, oh

dawn	clearer
gone	pay
mirror	way

- [] You got to lose to know how to win
- [] I know nobody knows
- [] I know it's everybody's sin
- [] Where it comes and where it goes

Half my life's in books' written pages
_____ and _____ from fools and from sages
You _____ it's true
All the things _____ back to you

Sing with me, Sing for the laughter, Sing with me, Maybe tomorrow,	sing for the year if it's just for today the good Lord will take you away and sing for the tear
