7 Incredible days, 3 ultimate challenges, 1 great cause

WHAT IS THE ULTIMATE GUATEMALA CHALLENGE?

It is our annual fundraising adventure where attendees get to partake in three unique challenges (Hiking up a Volcano, trekking through cornfields, and paddleboarding the lake) across Guatemala.

Summit Acetanango! This remarkable volcano towers above the landscape at 13,041 ft / 3,976 m, which makes it the third-highest volcano in Central America. Camp within view (and earshot!) of the very active Volcan Fuego.

Explore the amazing Mayan territory world in a hike through Guatemalan to get to the amazing Lake of Atitlan.

This open water challenge will take you to across the majestic Lake Atitlan, where we will paddle in the lake's deep blue-green waters until we reach the town of San Juan La Laguna - the finish line! You'll also get the chance to swim & cliff dive!
