2 Complete the text. Use one word in each gap.

Well, we ⁽⁰⁾ had our house broken into last week. It was awful – they wrecked the place. Not only did we ⁽¹⁾ things taken, not only did I have my beautiful iPhone and camera ⁽²⁾ but a lot of things also ⁽³⁾ broken as they searched the house. Some of the windows ⁽⁴⁾ smashed as they tried to break in, so now we've got to get all the damage ⁽⁵⁾

So we've decided to give the house a complete makeover. We're going to ⁽⁶⁾ the whole house redecorated. The first place we're going to start is the living room. We're going to have ⁽⁷⁾ repainted. I want to have one of the walls ⁽⁸⁾ green, something I've always wanted. I'll also get my housemate ⁽⁹⁾ build a new TV stand and CD tower – both green, of course!

Since the burglary, I've also become more active in the community and have campaigned to ⁽¹⁰⁾ new surveillance cameras installed in our street. This means a lot of trees will ⁽¹¹⁾ chopped down to make people's houses visible to the camera but it is a small sacrifice compared with the safety and security of our homes.
