

1. Let's listen and then drag the correct names of fruits and drop in the blank.

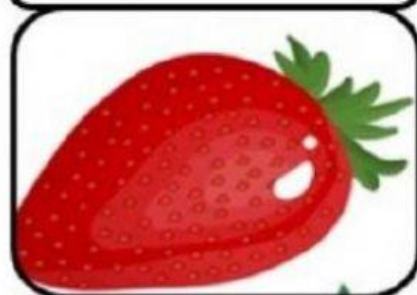

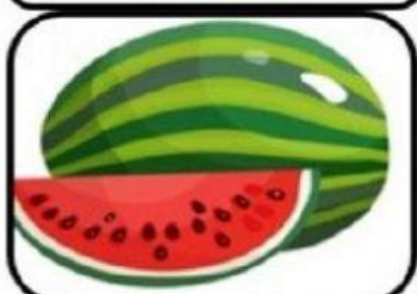

Orange

Strawberry

Watermelon

Banana

Lemon

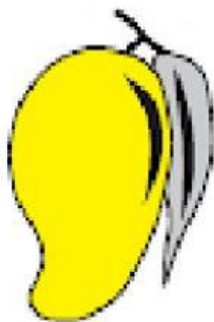

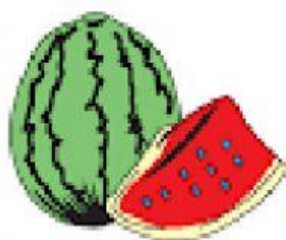

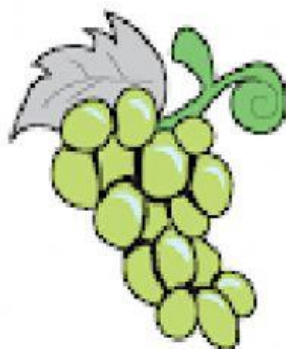

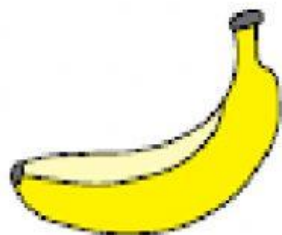

Grape

Kiwi

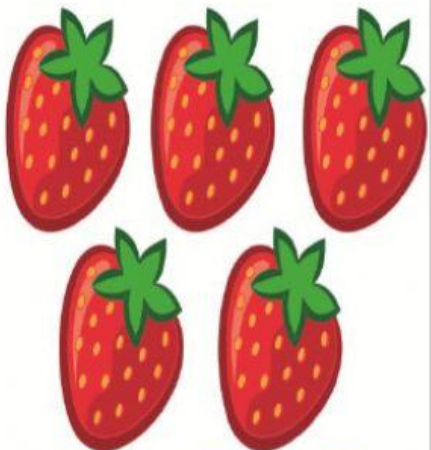

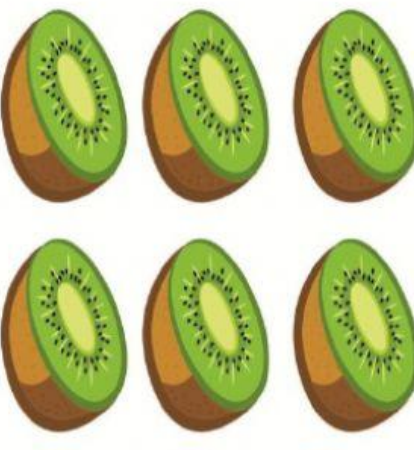

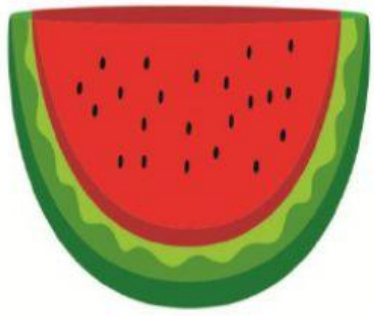

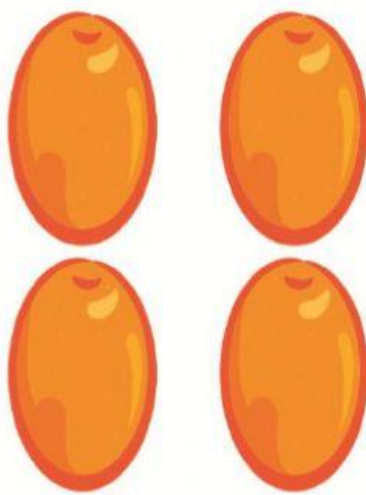

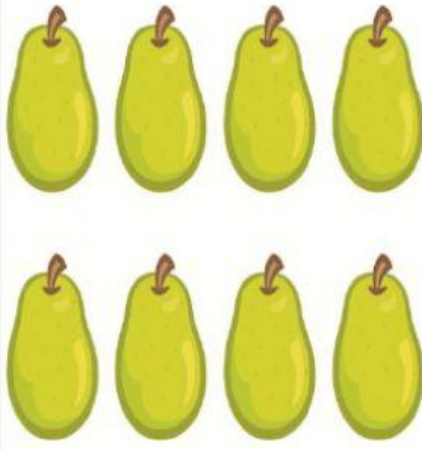

Cherry

Apple

**2. Let's look, then match the fruits with their shadows and then listen and repeat their names.**

3. Let's look, then count the numbers of fruits and choose best answer.

 <div data-bbox="167 851 566 996"> <div>3</div> <div>4</div> <div>5</div> </div>	 <div data-bbox="606 851 1005 996"> <div>5</div> <div>6</div> <div>7</div> </div>	 <div data-bbox="1077 851 1476 996"> <div>4</div> <div>5</div> <div>6</div> </div>
 <div data-bbox="183 1590 574 1736"> <div>1</div> <div>2</div> <div>3</div> </div>	 <div data-bbox="622 1590 1021 1736"> <div>4</div> <div>5</div> <div>6</div> </div>	 <div data-bbox="1093 1590 1492 1736"> <div>7</div> <div>8</div> <div>9</div> </div>

4. Let's listen the sentences and choose the best answer.

1. I see an ...

2. I see ...

3. I see an ...

4. I see a ...

5. I see a ...
