Welcome to Mongolia!
These are my parents. My name's Maa. We don't live in the city. We live in the countryside. And we don't live in an apartment. We live in a tent! This is our house. It's called a yurt. In Mongolia lots of families live in tents. Where do you live?

My name's Bat. Maa is my sister. This is my horse. His name's Bish. I like riding horses. It's fun. Bish is brown and his hair is black. Can you ride a horse?
