Feelin' The Same Way

The sun just slipped its note below my door
And I can't hide beneath my sheets
I've read the words before so now I know
The time has come again for me

And I'm feelin' the same way all over again
Feelin' the same way all over again
Singin' the same lines all over again
No matter how much I pretend

Another day that I can't find my head
My feet don't look like they're my own
I'll try and find the floor below to stand

And I hope I reach it once again
And I'm feelin' the same way all over again
Feelin' the same way all over again
Singin' the same lines all over again
No matter how much I pretend

Yeahhhh, Ohhhh, Yeahhh

So many times I wonder where I've gone
And how I found my way back in
I look around awhile for something lost
Maybe I'll find it in the end

And I'm feelin' the same way all over again
Feelin' the same way all over again
Singin' the same lines all over again
No matter how much I pretend

Feelin' the same way all over again
Feelin' the same way all over again
Singin' the same lines all over again
No matter how much I pretend
No matter how much I pretend
