

## Spanish Level 1, Unit 3

**Essential Outcome: I can have a conversation about likes and dislikes**

Name: \_\_\_\_\_

Period: \_\_\_\_\_

### **Overview:**

**SOURCE: Me Gusta (Soap Opera clip)**

**File here: <https://www.youtube.com/watch?v=GhRUfvSDPNU>**

### **Context:**

You are on a trip in Spain with your Spanish class. One day while traveling through the city of Barcelona on a bus the driver turns on his favorite soap opera. You catch the beginning of the episode, and it sparks a conversation with the friend sitting next to you about your likes and dislikes. You think the couple in the video is pretty funny (or, pretty sappy) and decide to try and find friendly connections between others on the bus. At the next stop, you start interviewing different classmates to see who may have similar interests, and would make good friends. Using the results you write a note to one friend letting him/her know who in the group he/she has a lot in common with, and why you think they would make good friends.

### **Interpretive:**

As you watch the soap opera, you will correctly identify words and phrases familiar to you. You will also interpret new vocabulary and make inferences from the context of the conversation.

### **Interpersonal:**

You decide to try and find friendly connections between others on the bus. At the next stop, you start interviewing different classmates to see who may have similar interests, and would make good friends.

### **Presentational Task**

Using the results you write a note to one friend letting him/her know who in the group he/she has a lot in common with, and why you think they would make good friends.

You share the common interests of the person you think would make a good friend for them.
