

You **take/took** my hand  
You **show/showed** me how  
You **promise/promised** me you'd be around  
That's right  
I took your words  
And I **believe/believed**  
In everything  
You **say/said** to me  
That's right

If someone **says/said** three years from now  
You'd be long gone  
I'd stand up and **punch/punched** them out  
Cause they're all wrong  
I know better  
Cause you **say/said** forever and ever  
Who **knows/knew**

Remember when we **are/were** such fools  
And so convinced and just too cool  
I wish I **can/could** touch you again  
I wish I **can/could** still call you friend  
I'd **give/gave** anything

When someone **says/said** count your blessings now  
For they're long gone  
I guess I just didn't **know/knew** how  
I **am/was** all wrong  
They **know/knew** better  
Still you said forever and ever  
Who **knows/knew**

I'll keep you locked in my head  
Until we **meet/met** again  
And I won't forget you my friend  
What **happens/happened**?

If someone **says/said** three years from now  
You'd be long gone  
I'd stand up and **punch/punched** them out  
Cause they're all wrong and  
That last kiss  
I'll cherish  
Until we **meet/met** again  
And time **makes/made** it harder  
I wish I could remember  
But I **keep/kept**  
Your memory  
You **visit/visited** me in my sleep  
My darling  
Who **knows/knew**  
My darling  
I miss you
