LIVEWORKSHEETS

C Read the texts below. For questions (1-10) choose the correct answer (A, B, C or D).

LEARNING THROUGH PLAYING FOOTBALL

Although (1) _____ levels are generally fairly high, as only 14% of the world's population is unable to read or write, there is still great need for understanding learning differences.

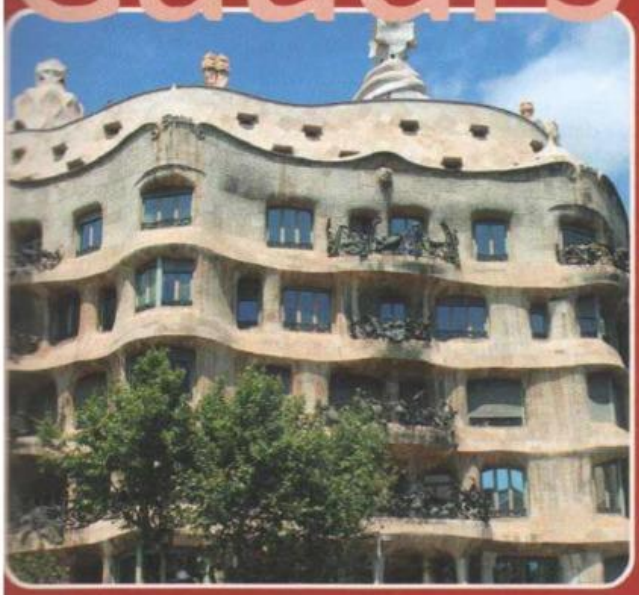

A programme which has been in use for some time and has proved successful is one that combines playing and talking about football with learning to read, write and use numbers. Football is a good choice as it is a(n) (2) _____ sport that people can play almost anywhere with just a ball and a pair of trainers.

The main aim of the programme is for students to improve their reading, writing and number skills, and thus (3) _____ with schoolwork, but in fact, its social consequences are greater. Acquiring these skills can help students become more (4) _____ in day-to-day tasks, improve their self-esteem and, through (5) _____, gain qualifications to improve their chances of employment. Overall, this is a very beneficial programme for students.
