I have _____ read your letter and I'm so excited about the great news. I'm really happy you have made your dream come true. An art gallery is what you have always wanted since high school. I hope I can visit you soon and see all the great ideas you have had to start your new business.

I have not asked you _____: Have you _____ contacted some artists? I have a friend in your city who may be interested. She has _____ worked as a graphic designer for a long time and her digital art has been shown in some famous galleries. I have not talked to her since last summer, but I can call her if you are interested. Let me know.

Well, I'll talk to you soon and congratulations on this new project!

Love,
Camila
