### David Hockney's modern art

David Hockney is a famous artist from the UK. His works are in art \_\_\_\_\_ and museums around the world. In a recent <sup>1</sup> \_\_\_\_\_ at the Royal Academy of Arts, he showed why he still has such a reputation. Hockney is <sup>2</sup> \_\_\_\_\_ to retire but he continues to develop interesting ways of creating art. This time, rather than creating a traditional oil <sup>3</sup> \_\_\_\_\_, he used a tablet computer in addition to traditional techniques.

His works clearly show his emotional connection to the countryside. The wonderful huge <sup>4</sup> \_\_\_\_\_ of Yorkshire really attract your attention as they show the change of the seasons, from the bright greens of spring to the whiteness of winter.

David Hockney's house is in Los Angeles but he regularly returns to Yorkshire to paint.

This year he has <sup>5</sup> \_\_\_\_\_ visited it twice.

- 1 The author's intention is
- A to provide new students with practical information.
  - B to attract new students to the college.
  - C to inform new students of some basic college rules.

**Text 2**

**A school for stars**

I'm good at singing and I loved performing at school concerts and shows, so I decided to do Performing Arts at college. I wasn't sure where to apply but the careers teacher at school helped me make a list of the best places. I didn't get in to my first choice, and I was really disappointed but then Southgate College offered me a place on their Theatre Studies course. It wasn't really what I wanted to do, but actually it's fine. I'd like to do more dancing but I'm learning new skills so it's all good.

- 2 The writer is studying
- A Music.
  - B Dance.
  - C Drama.

**Text 3**

*Marley and Me* is a story about a dog, but it's a lot more than that. It's also a story about love, friendship and family life, and how relationships change and grow. At the beginning, Marley is a loveable puppy, but he's also a bit of a nuisance. When he jumps out of a moving car window, it's the start of just one of his adventures. The result is a very entertaining and enjoyable book with a particularly pleasing ending. It's perfect holiday reading, so why not pack a copy in your suitcase, and pass it round the family?

- 3 You would find this text
- A in a magazine for book lovers.
  - B in an email from a friend.
  - C in the first paragraph of a novel.
