PRACTICE 05

Use the word given in capitals to form a word that fits in the gap.

<p>A study into children's television viewing habits reveals that children whose parents have a high level of (1)_____ tend to watch less television than children from less educated family (2)_____. The report also suggests that a high rate of TV watching among children in poorer (3)_____ areas and in the provinces, compared to those living in large urban centre, is often due to (4)_____ and a lack of other kinds of (5)_____ in the area. Disco, cinema, theatre and sports (6)_____ offer children in urban centre a wider range of pastimes, which leads to far (7)_____ hours being spent in front of the box. (8)_____, comedies and adventure films are children's (9)_____ programmes, while twenty percent of children said they preferred (10)_____ films and thrillers.</p>	<ol style="list-style-type: none">1.
