Verbs that end in -ate

Nouns that end in -ation can often become verbs by changing the ending to -ate. Rewrite the following nouns in the verb form.

Example: Circulation → Circulate

Instructions: Rewrite the following nouns into their verb form using – ate.

1. Estimation
2. Graduation
3. Navigation
4. Exaggeration
5. Duplication
6. Concentration

Subject / Verb agreement with Indefinite Pronouns

Many indefinite pronouns, such as anyone, everyone, somebody, anything, and no one, are followed by a singular verb in a sentence.

Example: When everyone works together, you can do great things!

Instructions: Circle the correct verb.

1. Everyone **work / works** together in the classroom to make a pleasurable learning experience.
2. Something **is / are** wrong if your pulse drops too low.
3. Do / Does anyone remember what the largest organ in your body is?
4. Nobody **want / wants** to get cut and have to go to the Emergency room to get stitches.
5. Everything we are learning **is / are** absolutely fascinating!
6. Everyone **sing / sings** together during music lesson.
7. Somethings **is / are** going to change when you skip a meal.
8. **Do / Does** everyone have to join the field trip?
9. Nobody **want / wants** to stay home when it's snowing outside.
10. Everything we learn **is / are** going to come in handy one day.

Used To

Use **used to** before an action that happened often in the past, but not now.

Example: I used to go scuba diving a lot but not so much anymore.

Instructions: Circle the correct answer.

1. My brother **used to go / went** hiking often when he was younger.
2. Khadija **used to go / went** playing in the snow yesterday.
3. My mother **used to play / played** Bingo lots when she was younger.
4. Luna and her friends **built / used to build** a huge snowman yesterday.
5. Sardar's grandfather **flew / used to fly** a single engine plane.
6. Last night, Milan's family **had / used to have** pizza for dinner.
7. The students **ate / used to eat** a lot of junk food before they changed their ways.
8. Ayla **watched / used to watch** Netflix at night, but now she reads a book.
9. Daniz **thought / used to think** you were going to call her last night.
10. Zakir **read / used to read** fiction, but now he reads nonfiction.
