**3** Read the text below and decide which answer (A, B, C or D) best fits each gap. There is an example at the beginning (0).

A decade ago, a decision was made to redesign (0) \_\_\_ of the National Museum. To do this, (1) \_\_\_ museums would have closed down completely, but (2) \_\_\_ trustees of the National Museum didn't want to follow such a course of action. Closing the (3) \_\_\_ museum would have cost a huge (4) \_\_\_ of money in ticket sales. Consequently, an alternative solution was needed. The museum asked a (5) \_\_\_ of leading architectural design companies to propose a solution. (6) \_\_\_ company was given the opportunity to submit their plans. Initially, (7) \_\_\_ company came up with a solution that met the museum's demands. Eventually, however, two companies were shortlisted to do the work. (8) \_\_\_ had good ideas. One proposed closing down one wing at a time, while the other proposed carrying out work behind glass barriers to protect the public from any debris. (9) \_\_\_ option seemed viable. In the end, the museum chose the latter idea, hoping that by keeping (10) \_\_\_ gallery in the museum open during the entire refurbishment they would keep their customers happy.
