It Must Have Been Love
(Roxette)

Listen to the song and fill in the blanks. Then sing along.

Lay a whisper on my _____,
leave the winter on the ground.
I wake up _____,
there's air of silence in the bedroom
and all _____

Touch me now, I _____ my eyes and _____ away.
It must have been love but it's over now.
It must have been love but I _____ it somehow.
It must have been love but it's over now.

From the _____ we touched, 'til the time had _____ _____.
Make-believing we're _____ that I'm sheltered by your heart.
But in and outside I've turned to _____ like a teardrop in your palm.
And it's a hard _____ day, I dream away.

It must have been love but it's over now.
It's all that I _____, now I'm living without.
It must have been love but it's over now,
it's where the water flows, it's where the _____ blows.
