

Unit 5 Lesson 7

1 Read and complete the headings in the chart.

THE FIRST AUSTRALIANS WERE ABORIGINAL PEOPLE.

They were living in Australia long before explorers arrived in 1788. Come and learn about the amazing Aboriginal people at the Australian Center.

Take a walk with an Aboriginal person to understand their history. Learn how the Aboriginal people care about animals and plants.

Learn how to throw a boomerang with our instructor. It's great fun, but it isn't easy!

Listen to the traditional music of the didgeridoo and drums and watch dancers with traditional clothes. They're wearing feathers and animal furs. They're very colorful.

Look at colorful Aboriginal paintings, learn about Aboriginal art, and paint your own boomerang.

Listen to stories and traditional songs and learn about the different Aboriginal languages. Stop at the Gift Shop and Bush Cafe before you go home. Learn about traditional meals of kangaroo meat, fish, plants, and fruits and eat the same food. It's delicious!

Have a great day!
