

Rewrite the text using **she** instead of **I**

Hello, my name is Sandra and I live in Santiago. I am a Maths teacher and I am going to talk about my routine in this pandemic.

I **Usually** get up at 8 o'clock . After getting a shower and having breakfast, I turn my computer on and start my virtual lessons. **Sometimes** I use the software called "meet" to make videocalls. Other teachers prefer to use "Zoom" I have lessons with each grade only once a week because of the lousy internet connection.
