SUMEM COSSES CELESTES
arrosegue els números correctes

A large blue rectangular area containing a math problem. On the left, there are three celestial objects: two smiling clouds and one smiling sun. In the center is a large black plus sign (+). To the right of the plus sign are three celestial objects: a crescent moon with closed eyes and three smiling stars. To the right of these objects is an equals sign (=) followed by a dashed square box for the answer. Below the celestial objects on the left and right sides are two more dashed square boxes for writing. The signature 'emmajanka' is in the bottom right corner of the blue area.

SUMEM INSECTES
arrossega els números correctes

A math problem on a purple background. On the left, there are 5 cartoon insects: a black fly, a blue dragonfly, a blue spider, a yellow and red butterfly, and a brown ant. Below them is a dashed square box. In the center is a large black plus sign. On the right, there are 3 cartoon insects: a green grasshopper, a red ladybug, and two yellow and black bees. Below them is another dashed square box. To the right of the plus sign is an equals sign followed by a larger dashed square box for the answer. The signature 'emmajanka' is in the bottom right corner of the purple area.

SUMEM SIRENES
arrosegue els números correctes

A large teal rectangular area contains an illustration of a math problem. On the left, two mermaids are swimming: one with pink hair and a green tail, and another with blue hair and a green tail. Below them is a dashed square box. In the center is a large black plus sign. To the right of the plus sign, two more mermaids are swimming: one with green hair and a blue tail, and another with brown hair and a green tail. Below them is another dashed square box. To the right of these is a large black equals sign, followed by a larger dashed square box for the answer. The background is filled with blue bubbles. The signature 'emmajimba' is in the bottom right corner of the teal area.
