

**1**

Look and number. Listen and check.

tidy my room

make my bed

clean the floor

do the washing up

water the plants

do the shopping

lay the table

do the recycling

**2** Complete the sentences. Use the verbs from Activity 1.

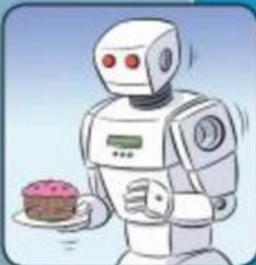

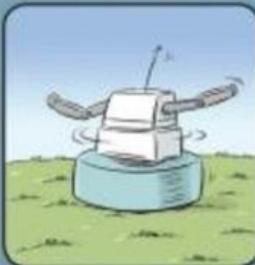

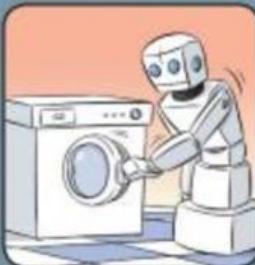

- I'm in my bedroom. I'm making my bed.
- My grandfather is in the living room. He's watering the plants.
- My mum is in the kitchen. She's cleaning the floor.
- My brother is in the dining room. He's laying the table.
- My dad is in the kitchen. He's doing the washing up.
- My sister is tidying her room.
- My grandmother is at the supermarket. She's doing the shopping.
- Now, I'm in the kitchen, too. I'm doing the recycling.

**3** What are they doing? Look and write.

- He's doing the washing up.
- She's watering the plants.
- He's cleaning the floor.
- He's tidying the room.

# ROBOT-SHOP

## Robo-Cleaner

This robot is an easy-to-use vacuum cleaner. It's got brushes to clean all types of floors. Now you can relax and let Robo-Cleaner clean the floor for you.

Price: £50

## Kleeno-Robot

This robot looks like a person! It's got two arms and can clean the floor and tidy up. It can use a washing machine, too!

Price: £325

## Robo-Green

This little robot helps you with all your garden jobs. It can cut the grass, water the plants and collect leaves. It's rechargeable, so it's good for the environment, too.

Price: £125

## Tele-Robot

This very clever robot can understand your instructions. You can tell it to turn on the television, computer or cooker. Then it signals by remote control.

Price: £150

## Cooky-Robot

Do you want a robot that can cook? This robot can make you breakfast, lunch or dinner! It's got hands designed to move things carefully and can follow recipes.

Price: £350
