The background is a vibrant collage of various school-related items. It includes several blue and red pencils, some sharpened and some not. There are also blue protractors, a pair of black-rimmed glasses, and a blue backpack. Scattered throughout are various mathematical formulas, such as $(ab)^n = a^n b^n$, $b^2 = c^2$, $S = \frac{ab}{4}$, $(\frac{a}{b})^n = \frac{a^n}{b^n}$, and $\pi = 3.14$. The entire scene is set against a light blue background.
