- A shopping centre is a big building **which** / **where** has a lot of shops.
- Enrique is the boy **where** / **who** saved all his pocket money to buy a present.

3 Read the texts. Then read the sentences and choose A or B.

\_\_\_\_ / 10

**A** Eleni went to the shopping centre yesterday afternoon with her mum. She wanted to get a birthday present for her best friend, but she didn't have a lot of pocket money. She decided to get her friend a book about space and her mum paid for it. After that, Eleni and her mum went to have some orange juice.

**B** Sophia went to the shopping centre this morning with her dad. She wanted to buy some new toys with her pocket money. She saved all her pocket money for two months! She earned the money by helping her parents at home. After shopping, Sophia and her dad went for a pizza.

- |  |          |          |
|--|----------|----------|
