Love You Like a Love Song

Beautiful – like – play – life - hypnotized - keep - compares - symphony

It's been said and done
Every ……..thought's been already sung
And I guess right now, here's another one
So your melody will…… on and on, with the best of 'em
You are beautiful,……. a dream come alive, incredible
A centerfold miracle, lyrical
You saved my ……again
And I want you to know, baby

I, I love you like a love song, baby
I, I love you like a love song, baby
I, I love you like a love song, baby
And I ……..hitting repeat-peat-peat-peat-peat-peat

Constantly, boy you played through my mind like a ……..
There's no way to describe what you do to me
You just do to me, what you do
And it feels like I've been rescued
I've been set free, I am ……..by your destiny
You are magical, lyrical, beautiful
You are, and I want you to know, baby

I, I love you like a love song, baby
I, I love you like a love song, baby
I, I love you like a love song, baby

And I keep hitting repeat-peat-peat-peat-peat-peat

No one ……
You stand alone, to every record I own
Music to my heart that's what you are
A song that goes on and on
