

Dear Sam,

How are you? I'm very happy, because I'm in New York with my family. We're staying in a big hotel in the centre of the city. We had a very unusual journey here. We were at the airport when we saw lots of reporters and photographers. We didn't know why they were there.

We bought some newspapers and magazines and we went to departures to catch our plane. We got on the plane and I started reading my magazine. There was an article in the magazine about my favourite singer, Suzy Starr, because she has got a big concert in New York this week.

Just then, I saw Suzy Starr get on the plane! She was one of the passengers! When we arrived in New York, we waited for our luggage in arrivals. I saw Suzy Starr again. She had a very big suitcase.

Suddenly, Suzy's suitcase broke and all her clothes and shoes fell on the floor. I helped her to put all the clothes back in the suitcase and my dad repaired the suitcase. Suzy was very happy. She gave us some tickets for her concert!

It was a brilliant start to our holiday and I can't wait for the concert on Saturday! I'll take lots of photos!

Write soon!
