THANK YOU

- gray - Morning – see - call - head – bad - house – work – thank – life-giving

My tea's gone cold, I'm wondering
why

I got out of bed at all

Therain clouds up my
window

And I can'tat all

And even if I could, it'd all be

But your picture on my wall

It reminds me that it's not so bad

It's not so

I drank too much last night, got bills
to pay

Myjust feels in pain

I missed the bus and there'll be hell
today

I'm late for again

And even if I'm there, they'll all
imply

That I might not last the day

And then youme

And it's not so bad, it's not so bad

And I want to you

For giving me the best day of
my.....

Oh, just to be with you

Is having the best day of my life

Push the door, I'm home at last

And I'm soaking through and through

Then you handed me a towel

And all I see is you and even if my
..... falls down now

I wouldn't have a clue
Because you're near me

And I want to thank you
For..... me the best day of my
life

Oh, just to be with you
Is having the best day of my life

And I want to thank you

For giving me the best day of my life

Oh, just to be with you

Is having the best day of my life
