2	Many young people are making the world a better place.
3	For example, Carter and Olivia Ries have become leaders in saving animals.
4	Although they are only teenagers, they have actually made a difference in the world.
5	How were they able to do that?
6	Let's hear from Carter.
7	When I was five, my little sister Olivia and I each adopted a cheetah.
8	Did we raise cheetahs at home?
9	No, we donated to a charity that protects wild cheetahs in South Africa.
10	Our parents told us that if we did not protect them, we might not be able to see cheetahs in the near future.
11	We soon became interested in helping other endangered animals.
12	A few years later, with help from our parents, we created a non-profit organization to protect them.
13	We wanted the next generation to be able to see these animals, so we named our organization One More Generation.
14	We also studied endangered animals and educated our friends about them.
