

Name: \_\_\_\_\_ Group: Astronauts Date: \_\_\_\_\_

**\* Read and then answer the questions**

My name is Antonia, and I live in a big city, where different weather conditions can occur in a day, for example in the morning when I go to school it is very cold and foggy, at the middle of the morning the weather is warm and it is nice to go to recess and have fun in the playground, in the afternoon my mom comes to pick me up from school and the weather is sunny, later in the evening the sky is covered with dark clouds, and at night it is good to sleep hearing the rain falling, but sometimes it is scary when the rain turns into a storm with thunder and lightning.

**Complete the phrases with the correct option.**

**1. In the morning is very \_\_\_\_\_**

- |                   |                   |
|-------------------|-------------------|
| a) Cold and foggy | c) Cold and snowy |
| b) Sunny and hot  | d) Warm and rainy |

**2. When my mom comes for me at school the weather is \_\_\_\_\_**

- |           |           |
