1 Watch, listen and enjoy.

"The Kind Of Love We Make"

We've been burnin' both ends
Keepin' the lights on
So I've been thinkin', we need
A little time alone
So, whatcha say we cancel our plans?
Tonight, I'm only gonna be your man

Let's get some candles burnin' and some records turnin
All the lights down low, take it nice and slow
The way your body's movin', keep doin' what you're doi
To me all night long, writin' our love song
Girl, I want it, gotta have it
Let the passion take us to a higher place
Makin' the kind of love we make

Well, there ain't no way, baby
To get me out this house
When you look this good, what could
I even think about, aw
Besides turnin' round and lockin' the door
Watchin' your red dress fall to the floor

Let's get some candles burnin' and some records turnin
All the lights down low, take it nice and slow
The way your body's movin', keep doin' what you're doi
To me all night long, writin' our love song
Girl, I want it, gotta have it
Let the passion take us to a higher place
Makin' the kind of love we make
Kind of love we make

So, whatcha say we cancel our plans?
Tonight, I'm only gonna be your man

Well, let's get some candles burnin'
Some records turnin'
All the lights down low, take it nice and slow
The way your body's movin', keep doin' what you're doi
