the text is for question for number 14-15

Hello, my name is Wijaya. I will tell you about my study habits.

The first thing I do before I study is washing my face. It freshens me up. I feel like I have a new energy after washing my face. Then I prepare tomorrow lessons and check any homework.

I start my studying by looking at the lessons that I think it's easy, because it saves more time. I will have more time to study difficult lesson. Besides that, I keep *correspondence* with my friend by phone. If there is difficult something, I just call my friend and try to solve the problem together.

I think that's all my study habit. What do you think?

14. What does the writer tell us about?

- A. His friend.
- B. His lesson
- C. His study habit
- D. His study room

15. Why does the writer wash his face ?

- A. To freshen him up
- B. To make more handsome
- C. Because he wants to
