We ♥ London

Louisa

I've lived in London nearly all my life. I love London, but I don't like very crowded, noisy places. I enjoy spending time in the big parks. I love the city in April when they are full of flowers. I have a café in London which I opened two years ago. I travel to work by train. It takes one hour, but I spend the time reading. And I love reading!

Josh

My parents are both from villages, but I was born in London and I've never left. I love being around lots of noise and people. I work for a very successful business in the centre of London. I have a nice apartment – I can see London Bridge from my bedroom window. I'm lucky because I live close to work and it's a pleasant walk from my apartment. I know lots of people hate their journey to work.

Anita

All my family live in London. I went to university in France, but then I came back. London can be very busy and noisy, but I don't mind that. I like big cities. Last spring I went to Tokyo. It was great. My dream is to work there one day. In London, I have a long journey to work and the train is always late. It's the worst part of my day – it's awful! Trains are better in Japan.

Questions 14 – 18

For each question, choose the correct answer.

The Greek Waiter

Alexis is ten years old and lives in a small village on a beautiful Greek island. Like all children his age, Alexis has just completed Year 4 in primary school. But Alexis is different from other children his age. He doesn't spend the summer on the beach or playing video games. In the busy summer months Alexis spends his days in his family's restaurant. In July and August, the restaurant is very popular with tourists from all over the world. Because he is the only person in his family who can speak English, it is his job to look after the tourists when they eat at the restaurant. He explains the menu to tourists and takes their orders.

Where did he learn his English? There is no school in Alexis's village, and during the school year he travels 12 kilometres every day by bus to a nearby village to go to school. Together with his classmates, two evenings a week, he attends English classes at a language school in the same village. There is no bus service when his classes end, so his mother picks him up and brings him home. Alexis doesn't mind, he enjoys learning English. He wants to be a journalist so he knows languages will be useful. He is very pleased that he can help his family with their business and the tourists are very happy that they can order their meal in English. He's also learnt a lot about cooking and loves the food at the restaurant!
