Clumsy goodbye. Please, don't cry.

Flowers, trees many places to rest.
My wings are open and I am the best.

Higher and higher so blue is the sky.
Even my name is so clear Butterfly.

Give me a smile. Look at my wings.

When evening comes, I am back to my bed
Cosy and safe enjoying sunset

Wonderful dance. Look at me once
And don't forget Clumsy, the pet.

Clumsy goodbye. Please, don't cry.

Beautiful day and so warm is the sun,
Flying and dancing are so much fun.

Wonderful dance. Look at me once
And don't forget Clumsy, the pet.

Give me a smile. Look at my wings.
