

Cause it would take a whole lot of medication
If you ever leave me baby,
Leave some morphine at my door
To realize what we used to have,
We don't have it anymore.

No matter how long my knees are on the floor
So keep in mind all the sacrifices I'm makin'
There's no religion that could save me
Will keep you by my side
Will keep you from walkin' out the door.

Chorus

Cause there'll be no sunlight
Every day it will rain, rain, rain...
If I lose you, baby
If I lose you, baby
Just like the clouds
My eyes will do the same, if you walk away
There'll be no clear skies

I'll never be your mother's favorite
Oooh if I was in their shoes, I'd be doing the same thing
Sayin there goes my little girl
Walkin' with that troublesome guy
Your daddy can't even look me in the eye

But they're just afraid of something they can't understand
I'll pick up these broken pieces 'til I'm bleeding
If that'll make you mine
Oooh well little darlin' watch me change their minds
Yeah for you I'll try I'll try I'll try I'll try

Chorus

Cause there'll be no sunlight
Every day it will rain, rain, rain...
If I lose you, baby
If I lose you, baby
Just like the clouds
My eyes will do the same, if you walk away
There'll be no clear skies

[Bridge]

I'll pick up these broken pieces 'til I'm bleeding
If that'll make it right
Don't just say, goodbye
Don't just say, goodbye

Chorus

Cause there'll be no sunlight
Every day it will rain, rain, rain...
If I lose you, baby
If I lose you, baby
Just like the clouds
My eyes will do the same, if you walk away
There'll be no clear skies

If you ever leave me baby,
